Dear Colleagues,

In the framework of the UnionMigrantNet & Cities Together for Integration project, we are pleased to invite you to the **Network Building Conference of Trade Union Services for Migrants -** which will take place **on 1 December** (from 9.30 to 17.00) **and 2 December** (from 09.30 to 12.30).

Building on the already existing European network of trade unions providing services to third-country nationals, the Conference will seek at enhancing the network by fostering partnerships with local authorities, key actors in the reception and integration of third-country nationals.
Please find enclosed a draft agenda along with the background document of the Conference.

Interpretation
The following interpretation will be available during the meeting:
English, French, Italian, Spanish, German.

Registration
We kindly ask you to register here by Friday 20 November 2020.

Format of the Conference
Due to the current health measures in different member states, it will not be possible to attend the Conference in person. The event will be an online event.
The invitation link of the event along with the final version of the agenda will be sent one week before the Conference at the latest.

Should you have any questions, feel free to contact Mercedes Miletti (mmiletti@etuc.org) and Sarrah Bentahar (sbentahar@etuc.org).

We are looking forward to seeing you at the Conference.
